

EXECUTIVE DIRECTOR
CHAD HALBACH

5 in 2025

As the year draws to a close, I want to say, "Thank you for supporting our mission."

More than 40 churches and 200 individuals provided financial support for CEM in 2024. As a result, 400 people in our region made a decision for Christ in CEM churches.

In partnership with The Crossing, we are planting a campus in Wever (IA).

In partnership with Northern Plains Evangelistic Association (NPEA), we are planting in Rapid City (SD).

Even as I celebrate all God has done this year, I am so excited about what is coming. 2025 is going to be a historic year.

5 new churches in 2025.

More people will come to know Christ through these churches for generations to come.

In partnership with Deaf Missions, we are planting house churches in Des Moines (IA), Omaha (NE), and Minneapolis (MN).

Your generous, faithful support is vital to CEM.
THANK YOU!

Chad Halbach

P.S. Will you join me in praying about a possible 6th church plant for 2025?

When you donate online, your gift goes further as donations are recorded, verified, and processed automatically without the expenses of envelopes and stamps or time spent at the post office and bank. God has once again provided for our mission through generous and faithful supporters! We are so excited to see how He will use these gifts to move in our region.

If you have not yet given, please know that **your donation is still needed!**

To plant 5 in 2025 we need to raise an additional

DONATE TO THE HARVEST 

In 2019, I was hired as CEM's first Director of Development and began creating a new fundraising model to support our mission. Along the way, God put together a great team of board members, directors, and volunteers, and in the last five years, we have grown to **over 400 unique donors!** As I go to a new workplace, I know CEM is in excellent hands with a talented and capable team and I'm excited to see CEM's growth in this new season! Thank you to each of you who have

prayed for, donated to, and championed CEM over the past six years! You encouraged me with your friendship and generous grace! I am also a donor to CEM and will continue to give with confidence that, as always, CEM is firmly in God's hands.

In January 2025, our Development Director, Suzi Steele, will end her nearly six-year tenure with CEM as she transitions to a new job. Many of you know Suzi and have seen first-hand how she has faithfully served during her time with CEM. She will be dearly missed!

Thank you Suzi!
